We no longer accept applications by post!

Once you have received from us an offer of a place on the workshop/s, you must make a full payment to secure your place - please wait for confirmation of your offer before making a payment. Non-payment of course fees may result in your place being offered to someone else. Note also that since our workshops are always heavily oversubscribed, **all payments are non-refundable**. Reimbursements or partial reimbursements are sometimes possible in individual cases only if we are able to fill your cancelled place with someone else from our waiting list.

All fees are in Euros and LISPA uses an online payment tracking system at flywire.com. Full details will be sent to you with your offer of a place on the course.
